

Michigan Health and Safety Coalition Annual Patient Safety Conference
Poster Presentation Participants - 2006

	Abstract Title	Hospital/Health System	Submitter(s)	Submitter's Title(s)	Email Address	Telephone
1	Error Analysis Using Automated Dispensing Machine Override Functionality	Spectrum Health	Jennifer Zimmer-Young	Drug Information and Research Specialist	jennifer.zimmeryoung@spectrum-health.org	616-391-1828
2	Utilizing Automated Dispensing Cabinets to Identify and Document Adverse Drug Reactions	Spectrum Health	Jennifer Zimmer-Young	Drug Information and Research Specialist	jennifer.zimmeryoung@spectrum-health.org	616-391-1828
3	Telemetry Standards of Practice	Providence Hospital and Medical Centers	Sandra Deering, MSN, NP-C	Nurse Practitioner	sandra.deering@providence-stjohnhealth.org	248-849-2535
4	Reduce Hospital Mortality	Henry Ford Hospital	John Mailey	House Manager	jmailey1@hfhs.org	313-916-6575
5	Preventing Catheter Related Bloodstream Infections	Providence Hospital and Medical Centers	*Lauri Bolo-Schreuder *Janice Locke *Karen Peper *Gary Plagens	*Nurse Practitioner *Clinical Nurse Specialist *Nurse Practitioner *Primary Care Adult Nurse	lauri.bolo-schreuder@providence-stjohnhealth.org	248-849-4359
6	PCA-Related Medication Errors: Minimizing Potential, Maximizing Technology	University of Michigan Health System	Kelly A. Saran, MS, RN	Risk Management Consultant	ksaran@med.umich.edu	734-763-5456
7	Increasing Patient Safety by Decreasing Medication Errors Poster	Priority Health	Marcia Bartlett, RN, BSN, MPA	Sr. Clinical Quality Improvement Specialist	marcia.bartlett@priorityhealth.com	616-464-8154
8	Implementation of a Dedicated Cross Sectional Body Interventional Service	Henry Ford Hospital	Todd Williams, MD	Section Head, Interventional Cross Sectional Radiology	toddw@rad.hfh.edu	313-916-3344
9	Implementation of a Fall Prevention Program for Henry Ford Health System	Henry Ford Health System	Cathy Bennett	Clinical Quality Facilitator	cbennet1@hfhs.org	313-874-6017
10	Reducing Blood Stream Infection (BSI): A Multidisciplinary Approach	Henry Ford Health System	Nisreen Murad	Infection Prevention Specialist	nmurad1@hfhs.org	313-874-5479

11	Creating a Culture of Safety: A Multidimensional Approach	Henry Ford Health System	Michelle Freeman, RN, MSN	Director, Office of Clinical Quality and Safety	mfreema2@hfhs.org	313-876-9269
12	Improving the Care of Oncology Patients Through the Use of a Pathway	Providence Hospital	Kelly M. Sakalian, RN, MSN, CS, AOCN	Oncology Clinical Nurse Specialist	kelly.sakalian@stjohn.org	248-849-2756
13	Healthcare Construction in the New Millenium: Reducing the Infection Risk Through Assessment & Partnership	Sparrow Health System	Linda Nemecek	Performance Improvement Specialist	linda.nemecek@sparrow.org	517-364-2895
14	Sparrow Weight Management Center Bariatric Surgery Program After Three Years	Sparrow Health System	Linda Nemecek	Performance Improvement Specialist	linda.nemecek@sparrow.org	517-364-2895
15	Improving Patient Safety Through Executive Rounds	Sparrow Health System	Gary McMillan, MM	Patient Safety Officer	gary.mcmillan@sparrow.org	517-364-2218
16	Medication Reconciliation Using Failure Modes and Effects Analysis (FMEA)	Sparrow Health System	Gary McMillan, MM	Patient Safety Officer	gary.mcmillan@sparrow.org	517-364-2218
17	Mock Codes: Using Simulation and Debriefing to Improve Response in Code Situations	Henry Ford Health System	Coleen Owens, RN, BSN	Clinical Quality Facilitator	cowens1@hfhs.org	313-8747181
18	Who's in Charge of Me Now? Connecting Caregivers in Patient Handoffs	William Beaumont Hospital	Carleen Penozza, RN, MHSA	Clinical Informatics Specialist	cpenozza@beaumont hospitals.com	248-551-1427
19	Nursing Excellence for Safe Medication Management	University of Michigan Health Systems	*Karen Adkins-Bley, RN, MSA, *JD Rhonda Schoville, RN, BSN, MSA	*Risk Mngmt Consultant *Manager of Nursing Information Services	*kbley@umich.edu *rhondas@umich.edu	734-763-5456
20	Surgical Risk Factors as Predictors of Cost of Hospitalization	University of Michigan Health Systems	*A.N. Talsma, PhD, RN *L.R.S. Phillips, MS, RN *L. Deng, MS *D.A. Campbell, Jr., MD	*Senior Clinical Info. Analyst *No Title *No Title *Chief of Clinical Affairs	lphilliz@umich.edu	734-647-9195
21	The Nursing Home Quality Initiative (NHQI)	MPRO	Alina Pabin-Prusak, BSW, MUP	LTC Outreach Manager	apabin@mpro.org	248-465-7371
22	Continuous Improvement in the Sentinel/Serious Adverse Event Process	University of Michigan Health Systems	Louise Grondin, MS, APRN, BC	QI Manager, Sentinel and Adverse Events	lgrondin@umich.edu	734-936-4705

23	Implementing a 10-Hospital Rural HIT Network: Sharing Patient Information To Improve Patient Safety and Quality of Care	KliniTek, Inc.	Sue Wiljanen, MT(ASCP)SBB	Account Executive	swiljanen@klinitek.com	906-228-2870 x110
24	Improving Patient Safety Through Improved Blood Management	St. John Detroit Riverview Hospital	Karen L. Scalici, RNC	Coordinator Bloodless/Blood Conservation Program	karen.scalici@stjohn.org	313-499-4790
25	Development of a Medication Reconciliation Process at Beaumont - Troy	Beaumont Hospital - Troy	Amy Barron	Medication Safety Pharmacist	abarron@beaumont hospitals.com	248-964-5488
26	"And They Put Up a Parking Lot - Don't It Always Go to Show, You Don't Know What You've Got Till <i>You Look</i> "	VA National Center for Patient Safety	Carol Samples	Program Analyst	carol.samples@va.gov	734-930-5860
